Dear Tianyue MA

**Notification of grant of a Student (Temporary) (class TU) Higher Education Sector (subclass 573) visa**

I wish to advise that a decision has been made on this application and visas have been granted on 30 June 2016 to the applicant(s) listed in the attached Visa Grant Notice.

Please keep a copy of this letter and the Visa Grant Notice in a safe place for your reference. Your Visa Grant Notice contains useful information which you will need when accessing your electronic visa record through the Department of Immigration and Border Protection's digital systems. The information may also assist organisations and airlines when undertaking checks.

**Please note:** if your application contained multiple applicants, each applicant that has been granted a visa will be sent their own Visa Grant Notice. Any other applicants should not make arrangements to travel to Australia unless they have received their own Visa Grant Notice.

The date on this notification, and the date of visa grant, are according to Australian Eastern Standard Time [UTC +10] (incorporating Daylight Saving Time [UTC +11], if applicable) on the relevant day. Depending on your location, these dates may differ by one day from your local date and may be in the future. Despite this, your Australian visa is already in effect - there is no need to delay travel to Australia until the commencement of the later day.

**Questions about this decision**

If you have questions about this decision, or the process or information that was taken into account, you may contact us by any of the means listed below.

### **Changes to your circumstances**

Up until the time you arrive in Australia, you are required to tell us about any changes to your circumstances that may affect any answer to a question in your application form including your name, passport, contact details, address or family members as soon as possible. You are required to do this in writing and can use *Form 1022 Notification of changes in circumstance (Section 104 of the Migration Act 1958)*, which is available at [www.border.gov.au/forms/Documents/1022.pdf](http://www.border.gov.au/forms/Documents/1022.pdf). Failure to notify the department of your new circumstances can have serious consequences and your visa may be cancelled.

After you arrive in Australia, it is still important that you tell us about any changes to your circumstances as soon as possible. You are required to do this in writing and can use one of the forms available at [www.border.gov.au/Lega/Lega/Form/Immi-FAQs/i-have-lodged-my-visa-application-but-things-have-changed-how-do-i-update-my-application](http://www.border.gov.au/Lega/Lega/Form/Immi-FAQs/i-have-lodged-my-visa-application-but-things-have-changed-how-do-i-update-my-application)

### **Australian Working Conditions**

#### **Overseas workers – know your workplace rights**

Pay rates and workplace conditions are set by Australian law. All people working in Australia, including those from overseas, have rights and protections at work. These cannot be taken away by contracts or agreements.

If you have questions about your pay and conditions while in Australia, you can contact the Fair Work Ombudsman for free help.

Visit [fairwork.gov.au](http://fairwork.gov.au) for information for visa holders and international students. This includes information in 27 languages. There are also a range of helpful videos at [www.youtube.com/fairworkgovau](http://www.youtube.com/fairworkgovau) about working in Australia in many languages.

You can also contact the Fair Work Ombudsman by phone within Australia on 13 13 94 (Translating and Interpreting Service 13 14 50).

The Fair Work Information Statement which is available in 27 languages also provides important information, [www.fairwork.gov.au/employee-entitlements/national-employment-standards/fair-work-information-statement](http://www.fairwork.gov.au/employee-entitlements/national-employment-standards/fair-work-information-statement).

### **What are my minimum rights and conditions at work?**

#### **Pay**

Your minimum pay rate can come from an award, enterprise agreement or other registered agreement, or the national minimum wage. Employees have to be paid the right pay rate for all hours they work, including time spent:

- training
- in team meetings
- opening and closing the business
- doing a trial shift.

### **National minimum wage**

Certain employees may have different pay entitlements depending on whether they have a reduced work capacity because of disability, if they are under the age of 21 or if they are an apprentice or trainee. You can calculate your correct pay and entitlements using the Pay and Conditions Tool at: [www.fairwork.gov.au/pay](http://www.fairwork.gov.au/pay)

Employees that are employed on a casual basis will also receive a “casual loading” on top of their hourly rate in lieu of any annual or sick leave entitlements.

The national minimum wage is reviewed every year and may change.

### **What is not okay at work?**

Every employee has protections at work:

- you should not be bullied or harassed
- you should not be discriminated against
- it is ok to ask your boss, the Fair Work Ombudsman or someone else about your pay and conditions.

You can find more information about discrimination, bullying, harassment and protections at work at [www.fairwork.gov.au/employee-entitlements/protections-at-work](http://www.fairwork.gov.au/employee-entitlements/protections-at-work)

### **Helpful hints when you start working in Australia:**

- keep a diary of days and hours worked
- keep copies or records of employment details, pay slips, agreements and superannuation and tax documents.

Remember there are always Government contacts that can help you if you get stuck.

### **Can I get into trouble for talking to the Fair Work Ombudsman?**

No. Your employer cannot treat you differently, terminate you or take away your entitlements for talking to the Fair Work Ombudsman.

### **Can my employer cancel my visa?**

No. Employers cannot cancel visas. Only the Department of Immigration and Border Protection can grant, refuse or cancel visas.

### **Health insurance**

Your visa has been granted with condition 8501 which means that you must maintain adequate arrangements for health insurance (generally Overseas Student Health Cover) while you are in Australia on this visa. You must not enter Australia before your Overseas Student Health Cover has begun. You must not remain in Australia on this visa after your Overseas Student Health Cover has expired.

Students from Norway, Belgium or Sweden may not need to maintain Overseas Student Health Cover. More information is available on our website at [www.border.gov.au/Trav/Stud/More/Health-Insurance-for-Students](http://www.border.gov.au/Trav/Stud/More/Health-Insurance-for-Students)

### **Information pack on domestic and family violence, sexual assault and forced marriage**

The Australian Government has developed a family safety pack with information on Australia's laws regarding domestic and family violence, sexual assault and forced marriage.

The family safety pack also includes important information about essential services and emergency contacts in Australia. This information can be found at [www.dss.gov.au/familysafetypack](http://www.dss.gov.au/familysafetypack).

# Tuberculosis warning for international students

**International students are 10 times more likely to develop tuberculosis (TB) than people born in Australia.**

If you are from a country in Asia, Africa, the Indian sub-continent, South America or Eastern Europe it's likely you have been exposed to TB and are at a higher risk of being infected and getting sick from TB.

TB is an infectious disease that affects the lungs, other organs and bones. TB can be cured with medication but it can be fatal if left untreated.

**Around 14 million people have active TB and about one third of the world's population has a latent or silent TB infection.**

## Medication to treat TB is free in Australia

Students who are diagnosed with TB while in Australia will not have to pay for medication to treat it. Overseas Student Health Cover (OSHC) will help cover costs associated with diagnosis.

## If diagnosed with TB, students will not be asked to leave Australia

If students get treated for TB, it will not affect the conditions of their student visas as long as they comply with treatment.

## TB Symptoms

Seek medical advice and give the doctor this fact sheet if you have any of these symptoms:

- cough or fever for more than 2 weeks
- excessive tiredness
- night sweats
- poor appetite and weight loss
- coughing up blood

However, some people with active TB will have no symptoms.

## TB Spread

TB bacteria are spread from person to person through the air. People with active TB disease in their lungs can spread the infection when they cough, sneeze, laugh, speak or sing.

# Tuberculosis warning for international students

You can have TB even if:

## You have been vaccinated

The TB vaccine (BCG) helps protect young children against severe forms of TB. Even if you were vaccinated you can still get TB.

## You have been checked for TB

The Visa Medical Screen includes a chest x-ray to look for active or infectious TB. Many people will have latent or silent TB infection which is not found on a chest x-ray. Latent or silent TB does not cause any symptoms but can progress to active and infectious TB months or years after screening.

## You don't know anyone with TB

It is possible that you might have been exposed to TB without knowing it. Some people with TB have no symptoms and may not know they have active TB disease.

## Where to get help after arriving in Australia

**Talk to your doctor, university health service or local hospital**

— keep this fact sheet to give to your doctor if you have any symptoms of TB.
